

## PLEASE DO NOT SKIP PALLETS

**The Pallet LOOP is collecting all LOOP green pallets and other branded and unbranded white pallets from this location\*.**

**All pallets must be neatly stacked by size at the location below, **no more than 2.4m high (approx. 19 pallets).****

**\*Even pallets that are significantly damaged may be collected - as long as they can be safely stacked and loaded onto The Pallet LOOP's vehicles.**

Using The Pallet LOOP to remove pallets from this project is better for business and the planet. It reduces waste, cuts carbon and saves money – working out less than half the cost of skip disposal.

**PLEASE STACK ALL PALLETS AT THE FOLLOWING LOCATION FOR COLLECTION:**
